

Swim Activities

Reference 5101:2-14-20 (F) & (G)

The provider shall have written permission from the parent before a child is permitted to participate in swimming activities.

The provider shall always accompany and supervise children at swim sites unless the parent has given written permission for a schoolchild to participate in water activities away from the provider's home.

I, _____ as Parent, do hereby grant
permission for (Children) _____ to participate
in swim activities.

Parent Signature _____ Date _____

--
